Dear Colonel Knight,

I would like to take this opportunity to express my sincere appreciation for all the assistance and encouragement your agency showed to the Franklin County Sheriff's Office during our time of clean up and restoration after Hurricane Dennis. You were very conscious and aware of our needs here and your presence in Franklin County meant a great deal to myself and the Franklin County Sheriff's Office.

I would also like to thank Major Trammell, for providing us with Troopers for help with our traffic situation. Trooper Chukes, Trooper Creel, and Trooper Travis Wilson were a tremendous help to us. I am extremely grateful to all of them.

Your interest and concern were appreciated by all of us here at the Franklin County Sheriff's Office, and we value our relationship with the Florida Highway Patrol.

Please convey my thanks and admiration to your agency and everyone that assisted us.

Sincerely,
Major Creamer
